

ACCREDITATION AND TICKETING GUIDE • INDUSTRY GUESTS

Welcome to the 21st Edition of VC FILMFEST: The Los Angeles Asian Pacific Film Festival!
Here's what you need to know about guest accreditation and advance ticketing requests.

ACCREDITATION POLICIES AND PRIVILEGES

Using the Accreditation Form, each industry organization can request up to three (3) complimentary accreditations for the festival.

Accredited guests have access to a special allocation of free tickets each day of the festival, for that particular day's screenings. Upon presenting an official accreditation badge at Guest Services, accredited guests can receive one (1) ticket per screening, for up to three (3) screenings per day. These tickets are distributed on a first-come, first-serve basis.

Accredited guests can also purchase tickets from the Festival Box Office at a discounted rate, as well as join the rush ticket line for sold-out screenings.

Hard tickets are required for admission to all festival screenings. AN ACCREDITATION IS NOT A TICKET.

Additional accreditations can be purchased for \$50 each.

ADVANCE COMPLIMENTARY TICKETING

Accredited industry guests can request, in advance, one (1) complimentary ticket per screening for a maximum of three (3) unique screenings per day, using the Advance Ticketing Request Form.

Tickets cannot be requested for the Opening Night Gala, but may be purchased from the Festival Box Office at a discounted rate.

Advance complimentary ticket requests are fulfilled on a space-available basis. There are no guarantees.

Fulfilled ticket orders will be available at Festival Check-In, along with the corresponding accreditation badge.

Please return any unused complimentary tickets to Guest Services so that they may be released for sale to the general public. Unclaimed complimentary tickets are returned to the Box Office 30 minutes before show time.
